Process for conducting of the “Sampoorna Vidya” program:

1. The “Sampoorna Vidya” scholarship programs can be procured alongwith the General Admission form and the Prospectus.
2. Once the General Admission form is filled, Registration happens, entrance exam is conducted.
3. Based on a cut off mark of 40% marks? In the entrance exam, the applicant gains eligibility for general admission.
4. The applicant having gained eligibility for general admission then fills up the scholarship application form, fills up all relevant details, obtains required letters of recommendation(2 nos. from 2 different references), attaches all relevant copies of testimonials, awards and achievements and then submits the same to the admission office on an ongoing basis.
5. The applicants based on this application are called for undergoing an “Internal Assessment” process conducted by an independent panel (Ideally this panel should consist of 2 people, 1 from the school and 1 from an independent unbiased organization)
6. They are first subject to a “WRITTEN COMPONENT” I.Q. / E.Q. Test comprising of tests on Analytical ability, Reasoning ability, Logic, Reading Comprehension, Writing skills (Essay) - Various topics can be designed based on the scholastic level and age of the applicant, which they can choose randomly from a bowl etc., Mathematical and Problem solving ability, General Awareness, Situational analysis and any other area that may be of relevance to determining the I.Q / E.Q. Level of the applicant. (Tests to be designed by faculty)
7. This I.Q. / E.Q. Test could be designed on a scale of 1 to 10 with 0-2 being “BELOW AVERAGE”, > 2 and <=4 being “AVERAGE”, >4 and <=6 being “ABOVE AVERAGE”, >6 and <=8 being “GOOD”, >8 and <=9 being “EXCELLENT” and >9 and <=10 being “OUTSTANDING”.
8. There would then be an “ORAL COMPONENT”, to broadly assess their “SPOKEN SKILLS”, “PRESENTATION SKILLS”, “BODY LANGUAGE”, “OVERALL PERSONALITY” and their “THOUGHT PROCESS”. Topics on chits of paper can be written and applicants can pick up and choose out of this. A relevant scale can be used to compute performance (to be designed by faculty of TGSB!!!)
9. Finally, there would be a small personal interview to judge “Interpersonal”, “Motivational”, “Leadership”, “Attitude”, “Clarity of Goals” and other traits that may be relevant. This can be on a scale of 1 to 5 which is easy to assess. Relevant Personal interview forms need to be prepared with name and other details with a scoring sheet with the above mentioned parameters.
10. The scores obtained out of the above mentioned scores can then be computed and a final score arrived for determining 2 Scholarships for standards I to III whose applicants will be grouped together– The top ranker gets a 100% waiver , the Second ranker gets a 50% waiver. Similarly 2 Scholarships can be given to applicants of standards IVth and Vth. The top ranker gets a 100% waiver; the Second ranker gets a 50% waiver.

---The “Sampoorna Vidya” scholarship process can begin immediately after the conducting of the general written test and these applications can be collected as an ongoing activity. However, specific dates can be announced for the conducting of the oral, written and personal interview based assessments to arrive at the final awardees of this scholarship!!!
